## Break Down the Barriers

Jesus' miracles tell us about the mercy, compassion and love of our God for all that He has created. Miracles always announce a new age in our history, that God's kingdom is here and it is yet to come. But we need to look beyond the miracle story to see and understand what that kingdom is all about.

When Jesus went about curing blind people, they saw things differently than ever before. They were no longer blind to God. nor did they suffer from a lack of faith. They saw Jesus in a new light, that He had the words of life. When Jesus cured people of their deafness, they were able to hear what He had to say and they took His words to heart. When the lame man jumped up with joy, it was more than the fact that he could walk, but also that there was a whole new way to live. It said that he was of great value and that he had dignity, yes, worthwhile as a son of God.

Today's miracle speaks about the faith of a Canaanite woman who was not a member of the Jewish faith. She begs the Lord to cure her daughter who is terribly troubled. At first, the Lord is silent. After her insistence, He restores the child to health! The mother and her family are also healed.

The point is that God's love includes all that He has created. Salvation is not limited by racial or ethnic lines. God's love is not reserved only for the well-born, the best educated, or for those who never miss church. He does not restrict His love because of failure, weakness, or sin. His healing mercy and compassion extends to all, rich or poor, young or old, saint or sinner. In other words all of us are His favored sons and daughters. No one is ever excluded.

That's why we are called to be signs of God's love, not only for those who are active in our parish family, or who agree with us, or who are in our own little satisfied circle of friends. We are to break down all barriers that separate us, all obstacles that keep us apart, false attitudes that isolate us from one another. Is it pride, selfishness, greed, or fear that keep us locked up in our small world? We must take time to listen to our hearts.

Isn't it strange that the disciples could no longer hear the crying of someone who was hurting? They wanted to get rid of her so that they could get on with their own agenda. She was just too annoying. However, Jesus saw a woman of great faith and He fulfilled her wishes.

The miracle story goes on to give us a hint that the Eucharist is for all people, everyone in need. The Lord gives us Himself as the bread of life. Strangers and foreigners, those different than ourselves, are not to be thought of as second-class citizens, given only the crumbs. In every Eucharist we celebrate the love of God that is extended with open hands to all. Miracles don't bring about faith. It is faith that brings about miracles, and you and I are people of faith.

## WORSHIP / ADORACIÓN

### SAINT ROSE OF LIMA

Patron Saint of our Parish,  
Peru, Latin America  
and the Philippines

Feast Day: August 23

Saint Rose of Lima was the first saint born in the Americas. Born in 1586, she lived only 31 years, most of them as a religious sister. She was renowned for her devotion to the

Eucharist and for the severe penances and mortifications that she performed. In the Spanish culture of that period in history, the practice of severe penances was a sign of holiness. She died on August 23, 1617. This year marks the 400th anniversary of her death. Next weekend, we will celebrate her feast day. All are invited to bring flowers, to participate in the procession at the end of Mass, and to bring prayer intentions and spiritual bouquets to the poso (well.)

### PRAYER TO ST. ROSE OF LIMA

O St. Rose, first flower of sanctity in the New World,  
let the fragrance of thy virtues diffuse itself in our lives.

Grant that we may imitate thy holy purity;  
obtain for us courage in the practice of penance.

Teach us, O St. Rose,

to love Christ Crucified and Mary His Mother.

Beseech thy Divine Spouse to bless all the Americas,  
which give thanks for thy glory to Him,  
the Giver of all good gifts.

Amen.

## STEWARDSHIP / CORRESPONSABILIDAD

### What is Sacrificial Giving?

Sacrificial Giving means sharing with others the TIME, TALENTS and TREASURE with which God has so richly blessed us. We are the stewards of these gifts. That means we must take care of them and share them with others; this is the heart of our Christian faith. As followers of Jesus, we, like him, give of our whole selves, not just from the "extra" we might have. We can only do this if we trust completely in God to care for all of our needs. It is important that we make a promise to give of our TIME, TALENTS and TREASURE in some concrete, specific way. Of this we can be certain: God is always more generous than we are. We always receive back a hundred times what we give!

### "Who is a Christian Steward?"

One who receives God's gifts gratefully, cherishes and tends them in a responsible and accountable manner, shares them in justice and love with others, and returns them with increase to the Lord."

*(Stewardship: A Disciple's Response, USCCB: 1993)*

### TIME & TALENT SALUTE

#### Finance Council

Our Finance Council works hard throughout the year, helping the Pastor to exercise careful stewardship of parish resources, and planning for the long-term financial health of the parish.
